

### **GVR1903** Vandal-Resistant Safety Station with Eyewash

**Application:** Combination eyewash and shower safety station with vandal-resistant construction. Ideal for use in schools and other areas where equipment may be subject to abuse. All threaded connections are secured with set screws or cement to prevent disassembly.

**Shower Head:** 10" diameter stainless steel with 20 GPM flow control.

**Shower Valve:** 1" IPS chrome plated brass valve with stainless steel actuating arm and 29" stainless steel pull rod.

**Spray Head Assembly:** Each vandal-resistant GS-Plus™ spray head has a stainless steel "flip-top" dust cover, internal flow control and filter to remove impurities from the water flow.

**Eyewash Bowl:** 11-1/8" stainless steel.

**Eyewash Valve:** 1/2" IPS chrome plated brass self-closing ball valve with flag handle.

**Pipe and Fittings:** Schedule 40 galvanized steel. Furnished with orange polyethylene covers for vertical piping for high visibility and corrosion resistance.

**Supply:** 1-1/4" NPT female top or side inlet.

**Waste:** 1-1/4" NPT female outlet.

**Sign:** Furnished with ANSI-compliant identification sign.

**Quality Assurance:** Valve, bowl and spray head assemblies are factory assembled and water tested prior to shipment.

**Note:** Safety stations with self-closing valves do not comply with the provisions of ANSI Z358.1-2014. However, they may be advantageous where there is a danger of unintended operation of the shower (as in schools) or where large volumes of water might damage surrounding equipment.

### Available Options

- G6040** Thermostatic mixing valve precisely blends hot and cold water to deliver tepid water as required by ANSI Z358.1-2014. Refer to "Thermostatic Mixing Valves" section for complete technical and product selection information.
- AP275-200** Electric flashing light and alarm horn unit for mounting on wall or vertical pipe. Light illuminates and horn sounds when eye/face wash or shower is activated. Furnished complete with flow switch and mounting hardware.
- AP250-015 Modesty Curtain**  
Modesty curtain for mounting on safety station.
